St. Croix Crossing Open Houses

Highways 36/95 2014 Construction Schedule

Residents and business owners are invited to attend one of two open houses about the upcoming 2014 St. Croix Crossing Highway 36 and Highway 95 construction. Meetings will be held on Wednesday, March 12, from 11 a.m. to 1 p.m. and from 4:30 to 7 p.m., at the Oak Park Heights City Hall – 14168 Oak Park Blvd. N.

At the meeting, you will learn more about the 2014 construction schedule for the Minnesota approach, which includes Highways 36/95 and frontage road reconstruction, utility installation and trail construction. See map on reverse side.

More information about temporary traffic impacts—including road closures and access changes—will be provided.

Formal presentations will occur throughout the day and project staff will be available to answer questions.

Wednesday, March 12

11 a.m. – 1 p.m.

Presentations at 11:15 a.m. and 12:15 p.m.

AND

4:30 – 7 p.m.

Presentations at 5 p.m. and 6 p.m.

**Oak Park Heights City Hall
14168 Oak Park Blvd. N.**

Information about Wisconsin approach work and St. Croix Crossing bridge work will also be available. In addition, representatives from the City of Oak Park Heights and Washington County will be present to share information about city/county road construction projects occurring in the area in 2014.

All Minnesota approach work is anticipated to be complete by the end of 2014. When all work is finished, motorists will have smoother highway pavement surfaces, improved flow at intersections, and an improved frontage road system—including safer access.

If you cannot attend the meeting and need additional information, contact us at the information below or sign up for weekly email updates on the project website: www.mndot.gov/stcroixcrossing

We hope to see you there!

St. Croix Crossing Highway 36 & Highway 95

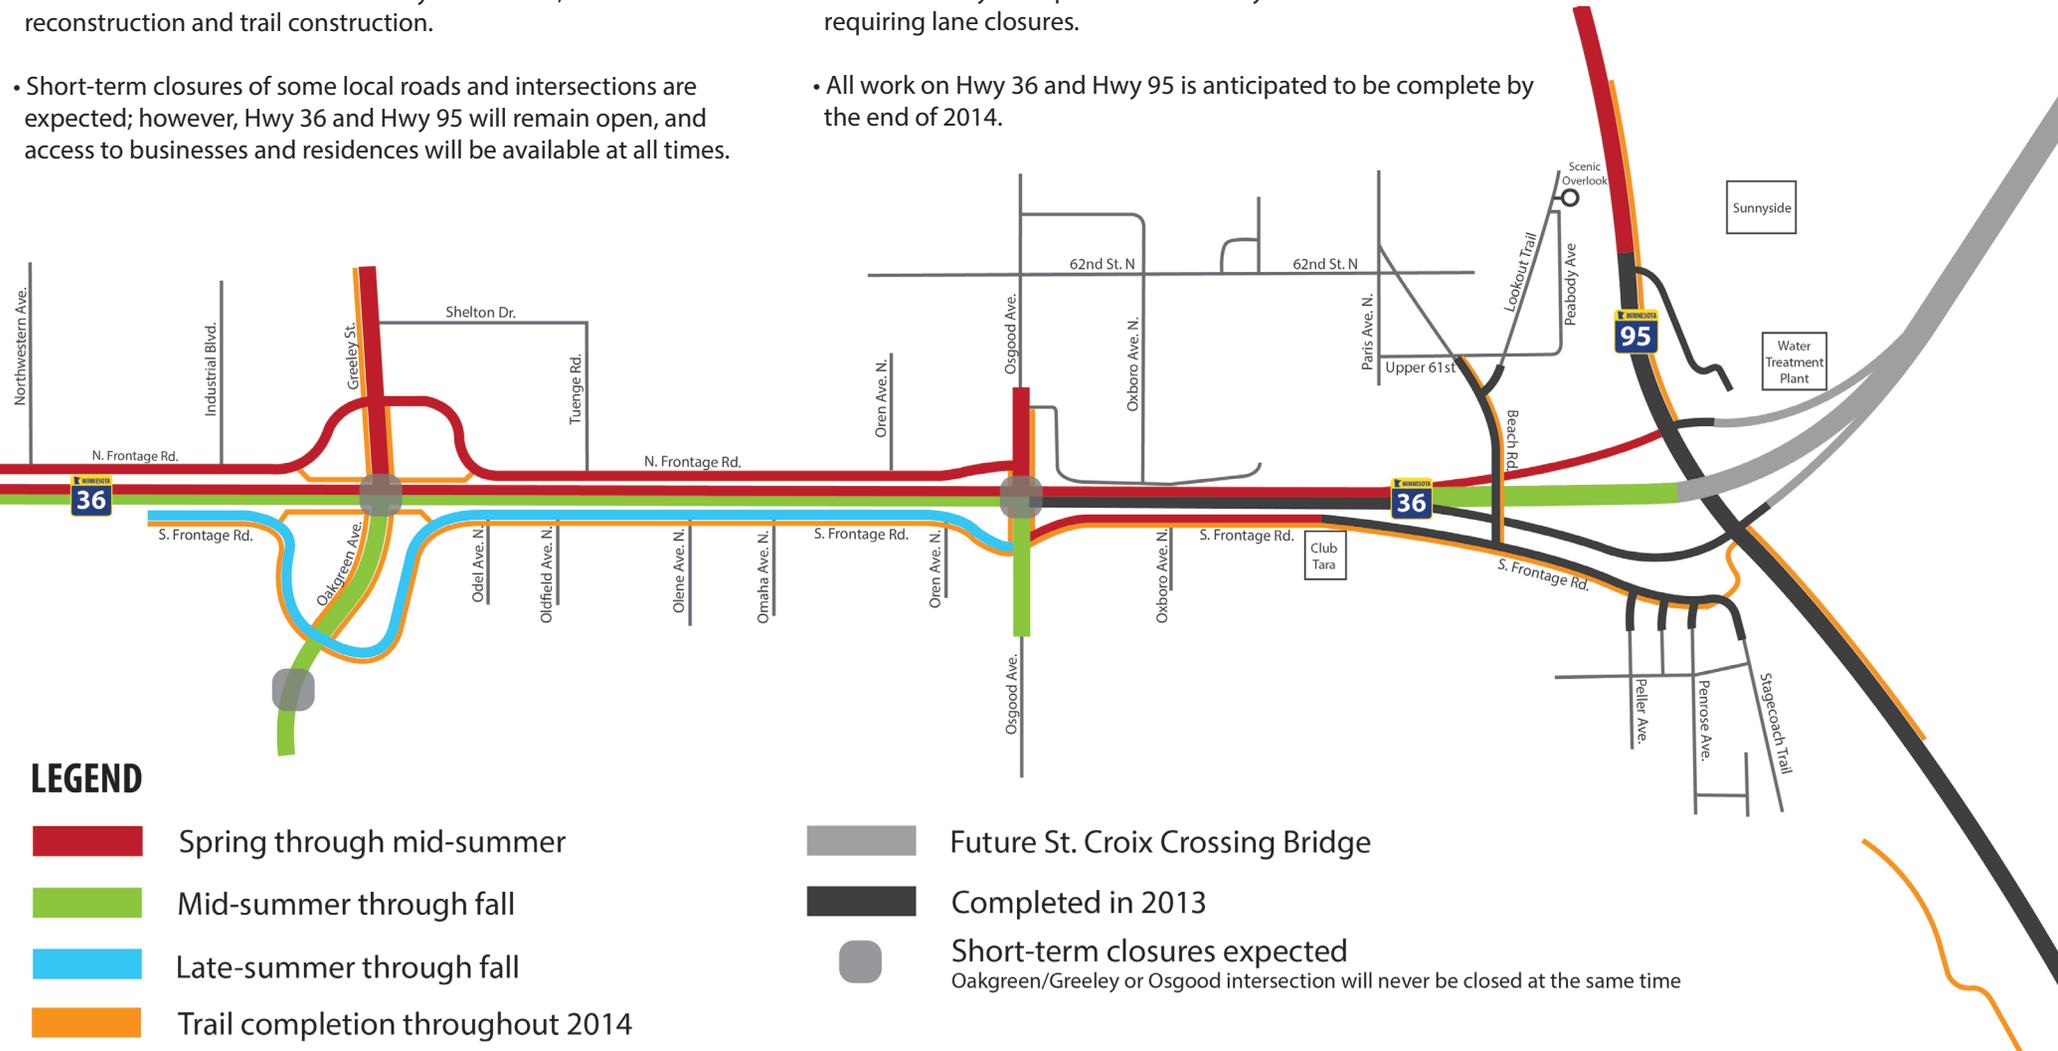

TENTATIVE 2014 Construction Phasing

As of March 2014

- Phased construction on Hwy 36, its frontage roads and the north end of Hwy 95 are expected to begin in spring 2014 (see map).
- Construction activities include utility installation, road reconstruction and trail construction.
- Short-term closures of some local roads and intersections are expected; however, Hwy 36 and Hwy 95 will remain open, and access to businesses and residences will be available at all times.

- Completed work includes safer access to frontage roads and a new alignment of the Oakgreen Ave/Greeley St and Hwy 36 intersection.
- Some roadways completed in 2013 may need additional work requiring lane closures.
- All work on Hwy 36 and Hwy 95 is anticipated to be complete by the end of 2014.

LEGEND

- Spring through mid-summer
- Mid-summer through fall
- Late-summer through fall
- Trail completion throughout 2014

- Future St. Croix Crossing Bridge
- Completed in 2013
- Short-term closures expected
Oakgreen/Greeley or Osgood intersection will never be closed at the same time

* All scheduling is tentative and subject to change
