relocations are required because of the extension of City utilities to previously unserved areas, company may be required to relocate at its own expense at any time.

- D. Nothing contained herein shall relieve any person, persons, or corporations from liability arising out of the failure to exercise reasonable care to avoid injuring Company's facilities while performing any work connected with grading, regrading, or changing the line of any public way, or with the construction or reconstruction of any City utility system.

In the event a suit shall be brought against City under circumstances where the above agreement to indemnify applies, Company, at its sole cost and expense, shall defend City in such suit if written notice thereof is promptly given to Company within a period wherein Company is not prejudiced by lack of such notice. If such notice is not reasonably given as hereinbefore provided, Company shall have no duty to indemnify nor defend. If Company is required to indemnify and defend, it will thereafter have complete control of such litigation, but Company may not settle such litigation without the consent of City, which consent shall not be unreasonably withheld. This section is not, as to third parties, a waiver of any defense or immunity otherwise

available to City; and Company, in defending any action on behalf of City, shall be entitled to assert in any action every defense or immunity that City could assert in its own behalf.

1004.08 Vacation of Public Ways.

The City shall give the Company at least two (2) weeks' prior written notice of a proposed vacation of a public way. Except where required solely for a City improvement project, the vacation of any public way, after the installation of electric facilities, shall not operate to deprive Company of its rights to operate and maintain such electrical facilities, until the reasonable cost of relocating the same and the loss and expense resulting from such relocation are first paid to Company. In no case, however, shall City be liable to the Company for failure to specifically preserve a right-of-way, under Minnesota Statutes, §160.29.

1004.09 Written Acceptance.

Company shall, if it accepts this Ordinance and the rights and obligations hereby granted, file a written acceptance of the rights hereby granted with the City Clerk within ninety (90) days after the final passage and any required publication of this ordinance.

1004.11 Publication Expense.

The expense of any publication of this franchise Ordinance required by law shall be paid by Company.
